

TABLE 1

This information reflects the **CURRENT** state of the NPDES permitted universe as of the month that you are reporting.

Type of facility	Total Number	Number Expired	Number Awaiting Issuance
majors covered by individual permits	79	46	1
minors covered by individual permits	291	129	2
majors covered by non-stormwater general permits	0	0	0
minors covered by non-stormwater general permits	523	370	6
number of non-stormwater general permits	10	6	0
industrials covered by SW general permits	1169	0	0
construction facilities covered by SW general permits	575	0	6
number of SW general permits	6	0	0

TABLE 2

The table **PROJECTS** how many permits will **EXPIRE** during each of the calendar years. We encourage you to project to year 2005; additional years are optional.

Year	Individual Permitted Facilities		General Permits		
	Major	Minor	# of Permits	Facilities Covered	
				Majors	Minors
2003	8	25	1	0	81
2004	8	35	3	0	187
2005	5	53	3	0	632
2006			0	0	0
2007			4	0	1078

sbion
DEQ does not issue general permits that would be classified as major.

TABLE 3

This table projects how many permits are planned for **ISSUANCE/REISSUANCE** during each of the calendar years. We encourage you to project to year 2005; additional years are optional.

Year	Individual Permitted Facilities		General Permits		
	Major	Minor	# of Permits	Facilities Covered	
				Majors	Minors
2003	20	52	2	0	110
2004	14	40	4	0	326
2005	5	50	5	0	752
2006			0	0	0
2007			4	0	1078

sbion
DEQ does not issue general permits that would be classified as major.
